

WEBSITE RE-DESIGN

The Victoria Jobs, Skills, Industry and Regions website has been re-designed to provide a better user experience. The new design features a clean, modern layout with a dark blue header and footer. The homepage includes a large banner image of a woman in a business suit, a main headline 'Building a Stronger Victoria: Jobs, Skills & Industry for the Future', and a call-to-action button 'Explore Opportunities Today'. The website also includes a 'Featured' section with news and articles, a 'What we do' section, and a 'Our Websites' section.
